## **INFORM P. LYKOS S.A. (Symbol A.S.E.: LYK)**

### **Inform P. Lykos S.A. and its subsidiary Austria Card GmbH sign a Master Technology Agreement with Gemalto S.A.**

Paris, September 10<sup>th</sup>, 2010 – Inform P. Lykos S.A. and its subsidiary Austria Card GmbH have signed a Master Technology Agreement with Gemalto S.A. for the supply of Chip Modules and License of Smart Card Technology for the Payment Market.

Pavlos Tryposkiadis, Vice President of Inform P. Lykos S.A. comments: “We will offer to our customers a wider choice of best-in-class chip modules and services, which combined with our production and service excellence, will maximize our customers’ satisfaction and value creation. Our engineering resources will focus on primarily developing customer specific applications and requests. In this extremely competitive smart card payment market we are optimistic that we will further strengthen our position in Central Europe and the CEE regions”.
